Under the plans agreed upon by the Rail-roads' War Board and representatives of the government, the government will give advance notice to the War Board's Commission on Car Service whenever orders are placed for more than ten carloads of materials or supplies.

To prevent shippers from utilizing for their own selfish purposes cars needed for government service, the Railroads' War Board has issued strict orders to all the railroads absolutely to forbid shippers the use of any of the government ordered cars for any purpose except the loading specified in the government order.

The Department of State has been informed by the American vice consul at Eagle Pass, un-fer date of May 15, that instructions had been to permit exportation to the United States of goats, sheep, hogs, cattle, flour and articles of prime necessity for provisions.
